SOCIAL IMPRINTS BRINGS THE EXPERIENCE TO YOU!

We have a variety of printing equipment that can easily scale to accommodate an audience of 100-10,000.

Draw a crowd to your next Trade Show, Conference, Product Expo, or Product Launch.

Attract visitors and create a buzz at your event with our live printing booth. By offering attendees the opportunity to create custom products on-site, you can generate interest, increase traffic, and create a lasting impression.

Get your team engaged in your upcoming in-house corporate event.

Our live printing services allow your employees to print their own swag and is a great way to increase employee engagement and team building.

PRINTING ON WHEELS

Our fully equipped screen printing van
can be at your next special event,
company gathering, or tradeshow booth.

CUSTOMER TESTIMONIALS

"Social Imprints helped make our onsite print activation come to life! Their staff was helpful, instructive and enthusiastic during our event. The team was also accommodating to request changes throughout the process and our employees could not have been happier with the end results. Looking forward to our next activation partnership with Social Imprints!"
